Precinct 01-0254

Name of Polling Place BOTHELL REG LIBRARY
Poll Center Number _____
(from AccuVote tape)

Ballot Accountability Sheet

How many ballot codes are in this precinct? 2 01 0 - 000001 - 00 0005
Each ballot code has an equivalent Chinese ballot code. Identify the Chinese ballot codes with the letter "C" before the number, for example C01, C02, C03, etc. List all the ballot codes, the beginning ballot stub numbers and ending ballot stub numbers for both the English and Chinese ballots in the table below.

(*Tip:* hi-lite, underline, or circle different ballot codes in pollbooks to assure that the correct ballot is issued.)

Ballot Code	Beginning Ballot Stub Number	After the Polls Close Ending Ballot Stub Number (Top Unused Ballot)	Number of Ballots Issued
01-254	1	185	17

Total number of ballots used 177
Subtract Spoiled Ballots, if any 1

Total number of valid ballots issued to voters A 186

Subtract Provisional Ballots, if any 7
Subtract Challenged Ballots, if any _____

From AccuVote tape
Number of ballots cast C _____

Number of regular ballots issued B _____

(Numbers for B and C should be equal.)

If there are any discrepancies, please explain: _____

Signature of Inspector

Elaine E. Wood
Signature of Poll Book Judge

Example of Ballot Accountability Sheet

How many ballot codes are in this precinct? 3
(Tip: hi-lite, underline or circle different ballot codes in pollbooks to assure that the correct ballot is issued.)

Ballot Code	Beginning Ballot Stub Number	After the Polls Close Ending Ballot Stub Number (Top Unused Ballot)	Number of Ballots Issued
01	1	46	45
02	1	126	125
03	1	101	100
