Subject: Public Disclosure Request regarding alleged two time voters

Hello, Everyone:

We have a public disclosure request that asks for the following:

"Please provide all records regarding the identification and review of the 191 alleged/potential double voter cases for inspection and possible duplication. Please include all case records including the correspondence or reports that identified the cases, internal correspondence, correspondence with the PAO, and investigation reports."

If you have e-mails, letters, reports, etc. responsive to this request, please print them up and submit to me.

IF YOU HAVE NO documents, please let me know that you have nothing, so I will cross you off my list.

I need all documents submitted by Friday, August 11, 2006.

Thank you for your cooperation.
