Subject: General Election Scheduling Nov.7

Dear PIO team/friends,

First let me thank you for agreeing to help King County Elections through another election. We know our combined expertise is the recipe for a successful election and really appreciate your willingness to drop your busy schedules to help us for this important election. The interest we're getting from reporters in this election is huge with reporters already asking about recount laws in the event of a close race in the 8th congressional district. I'm praying for wide margins of victory myself!

Below is a schedule for election day coverage for the Joint Information Center (aka Media Office) at the Temporary Elections Annex located in Boeing Field. Megan, Natasha and I will be staffing the Media Office for the majority of November but your assistance next Tuesday, November 7 is greatly appreciated. Election Day schedules have been staggered to make the day more manageable and allow time for a lunch break during the day.

We're all feeling really good about Tuesday and well prepared. It will be another election with slower results coming in due to the longer, 18-inch ballots. Other than that and people adjusting to the new accessible voting unites (aka electronic voting), there really isn't any big issues we are expecting.

I plan to schedule a planning meeting Thursday afternoon. Please let me know if you are not available between 2 and 3:30 p.m. Thursday -- meeting location TBA.

Very Sincerely,

Bobbie
