Stefan Sharkansky
[REDACTED]

Seattle, WA 98103

Dear Mr. Sharkansky:

On December 1, 2005, the King County Records, Elections and Licensing Services Division (REALS) received a public disclosure request from you via e-mail sent on December 1, 2005, 1:28PM.

In your e-mail, you requested the following:

- “1. For the September 2005 Primary—
 - a) Absentee voter table, including at least the following information on all absentee ballots issued and returned: voter_id, av_election_id, batch number, sequence number, return date, challenge code and last batch number, sequence number, return date, challenge code and last transaction date, as an Access file or other electronic form readable by Access
 - b) GEMS cards cast report
 - c) Batch accountability spreadsheet, as an Excel file
 - d) Provisional ballot table of all provisional ballots processed including at least the following: complete name, voter_id (if determined), address, envelope serial number, final disposition whether counted or reason rejected, and last transaction date, as an Access file
 - e) Report of voters who might have voted more than once
2. For the November 2005 General Election—
 - a) “locked down” election day database including all active and inactive voters as of election day, with voter history and including “credit” for voting in the November 2005 election; as an Access file or other electronic form readable by Access
 - b) table of all canceled voters still in database on election day, including date and reason for cancellation; as an Access file or other electronic form readable by Access
 - c) table of voters whose registrations were in a fatal pend state as of election day, including reason for pend; as an Access file or other electronic form readable by Access
 - d) Absentee voter table, including at least the following information on all absentee ballots issued and returned: voter_id, av_election_id, batch number, sequence number, return date, challenge code and last transaction date; as an Access file or other electronic form readable by Access
 - e) GEMS cards cast report

- f) Batch accountability spreadsheet, as an Excel file
- g) Provisional ballot table of all provisional ballots processed including at least the following: complete name, voter_id (if determined), address, envelope serial number, final disposition whether counted or reason rejected, and last transaction date; as an Access file or other electronic form readable by Access
- h) report of voters who might have voted more than once
- i) List of the voters whose challenges were adjudicated by the canvassing board for this election. Specifically, the 199 voters who were referenced in your statement of November 28th (http://www.metrokc.gov/elections/news/2005_11_28.htm). The list should include at least the name and voter id of the challenged voter, the disposition of the challenge (accepted or rejected). In the case of the voters for whom the challenge was accepted, please denote the cases where the voter's ballot was tabulated. If there is no single previously compiled document that contains all of the requested information, please provide a collection of documents from which this information can be inferred. I prefer to receive any documents in electronic form such as Excel spreadsheet, where possible.

Response:

Please be advised that we will respond to this request as soon as we have completed our response to your September 30, 2005 request. As noted in our October 7, 2005 letter to you, our staff has recently begun working on your September 30, 2005 request now that the General Election has been certified; and we expect that it will take at least four weeks and possibly more to complete. Also as noted on October 7, we will keep you updated on our progress and make responsive documents available to you as soon as reasonably possible.

If you have any questions about this response, please contact my office at (206) 296-1540.

Sincerely,

for Dean C. Logan
Director
