ACCOUNTABILITY

Gael helped clean up corporate America by implementing independent audits and ethics codes for tens-of-thousands of employees as VP of one of the nation's largest science and engineering firms.

SECURITY

Gael served at the Pentagon for a decade developing ways to prevent attacks on our nation, and creating emergency response and disaster preparedness plans for ports nationwide.

ENVIRONMENT

Gael reported to Al Gore's commission on global climate change, and developed plans for oil spill response and cleanup for the U.S. Coast Guard.

LIVING-WAGE JOBS

Gael believes in the necessity of a working port to create jobs. As a trade expert for 25 years, Gael knows how to make the port a stronger economic engine for our region.
